

YouTube project 6

Amjad Lafi Almtairi

Which state has the highest Like in 2017?

Insight 1:

Summary :

As you can see in this dashboard you can find out amount of likes on YouTube in the United States of America in 2017, we see Florida recorded the highest likes 55.831.089

Design:

I chose this design because it is recommended and because it is also suitable for patients who suffer from color blindness

which year has the most views in YouTube?

Insight 3:

Summary :

When looking at the Line chart, it becomes clear to us the number of YouTube views in the years in the United States of America, and we see that in 2018, the number of highest views was **17.653.015.289**

Design:

I chose to design the Line chart very simple and subtle and Choosing colors suitable for color blindness
